

Each year on the second Saturday of January Thai armed forces organise open houses during nationwide Children's Day. Usually also Don Muang has the biggest open house, that usually also includes demonstration by the flight school aircraft. This CT/4A with serial F16-11/17 is used by 604sq, hence its code 60437 (Don Muang, 8 January 2018, Jurgen van Toor)

Advanced flight training is provided by the PC-9. Some of the locally known F19's like this F19-16/35 are used by the Blue Phoenix demonstration team (Don Muang, 8 January 2018, Jurgen van Toor)

For multi-engine flight training the F20/Da-42 is used by the Royal Thai Air Force, like this F20-12/60 with code RR.05 from Flying Training School/Diamond Flight based at Kamphaeng Saen (Don Muang, 8 January 2018, Jurgen van Toor)
